

The Beach Life

JUST LIVE IT!

9' Thatch Umbrella Table \$2,395

- Mexican Rain Cape thatch top
- Treated Deck, benches, main pole
- Treated longwood pine rafters
- Manilla roping accents
- Premium hardware
- Extremely wind resistant
- Poly table/bench design in multiple colors

Feel like you're at the beach with our 9' Thatch Umbrella Table. Windy areas are not a problem with these tables since the tops breath and the wind will pass right through. We assemble our tables on-site so there are no problems with tight areas with limited access. Mexican Rain Cape thatch tops have an average life span of 2 years depending on conditions, but replacement tops are relatively inexpensive to reflect their life span (\$190 approx.). New design poly table in multiple colors with an aluminum frame makes for easy maintenance and long life.

[9' Thatch Umbrella Table \\$ 2,395.00 assembled on site](#)

[Do-it-yourself kit \\$1995.00 w/floor, \\$1,795.00 w/o floor](#)
